CASEY CAPTURES BMW CHAMPIONSHIP

The Englishman captured his second title on the European Tour with a stunning final round 68. Hitting 52 greens in regulation, the new world number 3 hit some superb approach shots on his way to victory. With Project X in his irons, and a new set of project X delivered to the tour van that week to use as his back up, the 31 year old now travels to the US Open certainly as one of the favourites.

True Temper's Project X shafts are an enormously popular line of shafts which have earned worldwide acclaim. Project X features a unique variable taper design with a dedicated taper rate per inch for each shaft in the set. Longer taper rate results in more energy transfer to the ball for a faster and flatter penetrating trajectory.
